

Five Ways to Model Appropriate Behaviors As a Leader

- 1.** Model the **appropriate behavior expected** for the team to function through the advice and support you give.
- 2.** Model how people should be **inclusive and accepting of others.**
- 3.** Model how people should **collaborate and share ownership.**
- 4.** Model how people should **act as a team and not as individuals.**
- 5.** Model the way people should **communicate openly.** Talk about appropriate behaviors, attitudes, values, rules, and norms openly, with everyone.
